News from Inspiring Leaders

NPQH application round now open!

We are delighted to announce that the NPQH application round is now open until midday 2nd June. You can download the application form and guidance on our website at www.inspiringleaderstoday.com/npqh.

We have chosen to be part of a national process for the NPQH application assessment to safeguard the quality and national integrity of the programme. This process will provide quality national feedback allowing participants to identify their areas for development and consequently inform how they access the programme. Completed application forms must be submitted to NPQHapplications@inspiringleaderstoday.com by midday Thursday 2nd June. We are holding a workshop to support the application writing process on 18th May at Cotgrave Candleby Lane School 4.30 – 6pm. Please see attached flyer for more information. If you would like to book a place, please email bookings@inspiringleaderstoday.com as soon as possible as places are limited.

NPQML targeted funding available now

A limited number of targeted funding is available for NPQML for those who can start the programme in October 2016.

Essential criteria: those who work within a school, where leadership has been identified as a priority for development or a vulnerability. Evidence of this should be drawn from Ofsted reports, school improvement reports, peer review reports or leadership vacancy/retention rates and where applications lead, or are in a position to lead, a team so that they can complete the final assessment in-school project. Those in small schools (under 100 pupils on roll) and coastal will also be considered if we are oversubscribed. More information will be available in next week's memo and on our website shortly but if the criteria applies to your school, you may wish to consider if you have middle leaders you would like to apply. For more information, please contact Susanna or Lynsey on info@inspiringleaderstoday.com.
